limited to administration and creation of clinic operations (re-staffing, scheduling, expanding referral base, insurance, fiscal management, safety policy & procedures, etc.), as well as supervision, teaching and collaboration with clinic staff and affiliates (Licensed Occupational Therapists, Certified Occupational Therapy Assistants, Administrative Staff, Level I Fieldwork students, interprofessional intern, volunteers, and community & University partners).

Adjunct Graduate Faculty, James Madison University, Occupational Therapy Program, Harrisonburg, VA

2021

- OT 663: Policy Analysis & Systems of Service Provision

2018

- OT 591: Tutorial I (psychosocial practice)

2017

- OT 491/591: Tutorial I (psychosocial practice)

2016

- OT 491/591: Tutorial I (psychosocial practice)

2015

- OT 491/591: Tutorial I (psychosocial practice)

2014

- OT 491/591: Tutorial I (psychosocial practice)
- OT 691: Tutorial II (pediatric practice)

2013:

- OT 491/591: Tutorial I (psychosocial practice)
- OT 691: Tutorial II (pediatric practice)

2012:

- OT 491/591: Tutorial I (psychosocial practice)

Occupational Therapist, Albemarle County Public Schools, Charlottesville, VA

2018 - 2021

- Provided specialized services through direct and indirect intervention to facilitate students' access to their educational environment and functional independence. Collaborated with interprofessional team in assessment, intervention and goal development in application of evidence based practice. Provided teaching and mentorship via Level II Fieldwork.

Contributing Faculty, University of St. Augustine, Occupational Therapy Program, St.

Augustine, FL

2020 – 2021

- BSC 7125 – The Pediatric Client with Neuromotor Involvement, online lead instructor for post-professional doctoral program (OTD, tDPT)
- OT 7496 – Pre-Capstone & Capstone I Advisor: Scholarly project advisor for post-professional doctoral candidate in the content area of Pediatrics (Maternal & Infant Health – Teen Pregnancy) - online instruction

Contributing Faculty, University of St. Augustine, Occupational Therapy Program, St.

Augustine, FL

2019

- BSC 7125 – The Pediatric Client with Neuromotor Involvement, online lead instructor for post-professional doctoral program (OTD, tDPT)
- IPE 7050 – Evidence Based Practice for Healthcare Professionals, faculty for post-professional & interprofessional online course – master’s and doctoral candidates (OTD, MSN, DNP, tDPT, MHS & MHA)

Contributing Faculty, University of St. Augustine, Occupational Therapy Program, St. Augustine, FL
2018

- IPE 7050 – Evidence Based Practice for Healthcare Professionals, faculty for post-professional & interprofessional online course – master’s and doctoral candidates (OTD, MSN, DNP, tDPT, MHS & MHA)
- BSC 7125 – The Pediatric Client with Neuromotor Involvement, online lead instructor for post-professional doctoral program (OTD, tDPT)
- OT 7499 - Capstone II: Project & Dissemination advisor for post-professional doctoral candidate in the content area of Pediatrics (School-Based Practice) - online instruction
- OT 7499 - Capstone II: Project & Dissemination advisor for post-professional doctoral candidate in the content area of Pediatrics (Pediatrics & Neuromotor Involvement) – online instruction

Contributing Faculty, University of St. Augustine, Occupational Therapy Program, St. Augustine, FL
2017

- BSC 7125 – The Pediatric Client with Neuromotor Involvement, online course instructor for post-professional doctoral program (OTD, tDPT)
- IDS 7455 – Advisor for post-professional doctoral candidate in the content area of Pediatrics (School-Based Practice) – online instruction
- IDS 7455 - Advisor for post-professional doctoral candidate in the content area of Pediatrics (Sensory Processing Disorder: Etiology, Evaluation & Intervention) – online instruction

2016 – 2017

- BSC 7125 – The Pediatric Client with Neuromotor Involvement, online curriculum development for doctoral program (OTD)
- IDS 6455 - Advisor for post-professional doctoral candidate in the content area of Pediatrics (Neurological Dysfunction in the Pediatric Client) – online instruction

Occupational Therapist (Substitute), Albemarle County Public Schools, Charlottesville, VA
November – December 2018 & April 2017 – June 2017

- Provided contract occupational therapy services, including direct intervention and consultation.

Consultant, Pediatric Therapy Specialists, PLC, Fairfax, VA
January 2015 – 2021

- Provided program development, educational opportunities and advocacy for a pediatric outpatient clinic.

Assistant Professor, James Madison University, Department of Health Sciences, Graduate Occupational Therapy Program, Harrisonburg, VA
2014

- OT 540: The Occupational Therapy Process

Clinic Supervisor, James Madison University, Occupational Therapy Clinical Education Services, Harrisonburg, VA

August 2012 – December 2014

- Responsibilities included development and implementation of strategies to promote and expand clinic services.
- Provided strategic planning, including allocation of resources and staffing.
- Provided community outreach and developmental programming.
- Provided direct pediatric occupational therapy services for children ages 0-22 years. Treatment emphasis on neurodevelopmental treatment.
- Administrative responsibilities included establishment of clinical billing, referral practices and implementation of QA program.
- Supervised occupational therapy staff, students and volunteers.

Occupational Therapist, Albemarle Therapy Center, Charlottesville, VA

November 2011- June 2012

- Provided occupational therapy for the pediatric population, ages 0-3 years, served through the Infant & Toddler Connection of the Blue Ridge. Early intervention included evaluation and treatment with particular emphasis on neurodevelopmental treatment, sensory motor integration, splinting, activities of daily living, positioning, adaptive equipment, oral motor skill development and caregiver education.

Co-Founder/Co-Owner, Pediatric Therapy Specialists, PLC, Fairfax, VA

April 2000 – December 2006

- Established a private outpatient pediatric practice, including all clinical and management aspects of a start-up clinic.
- Responsible for contract management and accreditation oversight, including staffing, insurance and provision of care.
- Provided assessment and treatment with particular emphasis on neurodevelopmental treatment, sensory integration, burns, congenital and acquired hand/upper extremity anomalies/injuries, medically fragile/developmental intervention, and feeding/oral-motor intervention.
- Additional areas of clinical practice included splinting, casting, kinesiotape and constraint-induced therapy, as well as fabrication of adaptive equipment.
- Independent consultant/contracted with Sun Rise Academy (Washington, D.C.). Provided students in the elementary, middle and high school special education system with inclusive, collaborative and direct methods of treatments to address fine motor, visual motor, visual perceptual, sensory motor and social-emotional development, as well as executive functioning. Provision of care also included activities of daily living and work readiness.

Occupational Therapist, Burn Liaison, Children's National Medical Center, Department of Emergency Trauma and Burn Services, Washington, D.C.

October 2002 – June 2003

- Member of multidisciplinary team, including surgery and plastic surgery services.
- Provided direct patient care for pediatric population with burns, congenital anomalies and traumas.
- Responsible for custom orthoses and compression management.

Occupational Therapy Clinical Coordinator, Children's National Medical Center, Department of Physical Medicine and Rehabilitation, Washington, D.C.

October 2000 – October 2002

- Established philosophy, methodology and departmental policy to maintain and enhance the quality and efficiency of therapy services.
- Selected, trained and supervised staff therapists from multiple educational and clinical backgrounds.
- Provided policy evaluation and continued quality improvement programs in compliance with local and national accreditation standards.
- Fiscal responsibility for multi-million dollar budget.
- Procurement of grants for development of departmental programming.
- Conducted and supervised clinical research projects.
- Established and implemented professional level staff and student training programs.
- Provided consultation to the hospital medical staff to improve acute care and rehabilitation via task forces and review committees.
- Directed outpatient programs in satellite facilities to expand patient services.
- Assisted in collaborative relationship with Kennedy Krieger/Hopkins University/CNMC home-based rehabilitation program.
- Developed curriculum and provided training for nursing and medical staff training to educate and ensure support for occupational therapy programs.
- Provided direct patient care in both inpatient and outpatient units with particular emphasis in neurodevelopmental interventions, burns, hand rehabilitation, feeding, splinting/casting, neonatal intensive care and sensory integration.

Occupational Therapist, Children's National Medical Center, Department of Physical Medicine and Rehabilitation, Washington, D.C.

September 1996 – October 2000

- Established the first pediatric hand therapy clinic in the DC metropolitan area. Services provided to meet the need of children with burns, amputations, orthopedic injuries, congenital anomalies and neuromotor involvement.
- Provided program planning, evaluation and implementation of services to children of all ages with medical illness, orthopedic issues, neuromotor dysfunction, developmental disabilities and learning disorders.
- Served as liaison to the departments of surgery and plastic surgery. This included participation in burn rounds/clinic and the hand clinic.
- Responsible for original design for innovative orthotic programs, including face masks and pre/post operative splints.
- Supervision of students and volunteers.

Occupational Therapist, Lynne Israel and Associates, Sensory Integration Summer Program, Washington, D.C.

May – July 1996

- Provided therapeutic intervention with the application of intensive individualized treatment programs and the use of controlled sensory and social-emotional environments for children with sensory processing disorders, autism, and learning disabilities.

PROFESSIONAL ACHIEVEMENTS:

- Exploring OT Student' and Clinical Instructors' Relationships Regarding Surge Capacity and Resilience in COVID-19, Virginia Occupational Therapy Association, poster session, faculty advisor, 2022.
- The Effect of Pediatric Burn Injury on Self-Efficacy and Resilience in Adulthood, Virginia Occupational Therapy Association, poster session, faculty advisor, 2022.

- Surge Capacity: Promoting Resilience in our Teams (clients, students, clinicians and educators), VOTA Child & Youth Conference, co-presenter, 2022.
- Special Needs Adaptable Sensory Work Station – Conceptual Proposal Reviewer, 2017.
- Teaching Children with Sensory Processing Disorder – Top Soccer 301, United States Youth Soccer Workshop at the National Soccer Coaches Association of America Convention, co-presenter, 2016.
- Hojatzadeh, M., Yun, A., Bonham, J., & Urso, R. (2015). Exploring the role of occupational therapy in serving teen parents. *American Journal of Occupational Therapy*, 69, p. 560-564, poster session.
- Sensory Processing Disorder, Children’s Services of Virginia, presenter, 2014.
- Sensory Processing Disorder, Children’s Services of Virginia, co-presenter, 2014.
- American Occupational Therapy Association Research Proposal Reviewer, 2014.
- Paradoxical Occupational Role Development: Children raising children and the impact on community & self, Doctoral Capstone, unpublished, 2014.
- Interdisciplinary & Collaborative Approaches to Inclusion, Early Childhood Leadership Summit, co-presenter, 2013.
- Central Virginia Burn Camp, Southern Regional Burn Conference, Southern Medical Association, poster co-presenter, 2012.
- Recipient of Early Intervention Certification, developed by the Integrated Training Collaborative through the Partnership for People with Disabilities at the Virginia Commonwealth University, 2011.
- Member of interdisciplinary medical team that developed outpatient pediatric rehabilitation program at The Prince Sultan Rehabilitation Center, Dammam Saudi Arabia, a joint program with the Eastern Province Rehabilitation Society for Disabled Persons, Children’s National Medical Center & National Rehabilitation Hospital, 2001.
- Sensory Motor/Sensory Integration – Creating a Multisensory Environment, CNMC Board of Lady Visitors, grant recipient, 2001.
- Recipient of Walter Reed Army Medical Center Commander’s Award for the education and training of Walter Reed Army Medical Center Occupational Therapy Center Interns, 2001.
- Pediatric Developmental and Motor Skills Evaluation, CNMC Child Health Center Board, grant recipient, 2000.
- Pediatric Hand Rehabilitation Clinic, CNMC Board of Lady Visitors, grant recipient, 2000.
- Growth of Limb, Joint Mobility and Function of the Upper Extremity in Children with Spastic Hemiplegic Cerebral Palsy Following Botox (botulinum A Toxin) Injections and Occupational Therapy, assisted Physical Medicine & Rehabilitation with evaluation.
- Occupational Therapy in the Acute Care Setting, lecture at Children’s National Medical Center, 1999.
- The Art of the Total Facial Orthosis, CNMC/GWU 11th Annual Advances in Pediatrics: Educational and Scientific Forum, 1997.
- The Use of Sensory Integration Techniques with a Child with Autism and Self Injurious Behavior Residing in a Residential Facility: A Single Subject Study, Master’s scholarly project, unpublished, 1996.

TEACHING ACTIVITIES:

- Occupational Therapy 555, Spring 2023, James Madison University, Assistant Professor - Level I Fieldwork 1 (psychosocial practice)
- Occupational Therapy 645, Spring 2023, James Madison University, Assistant Professor – Level I Fieldwork 3 (adult practice)

- Occupational Therapy 675, Fall 2022, James Madison University, Assistant Professor - Level II Fieldwork 2
- Occupational Therapy 620, Fall 2022, James Madison University, Assistant Professor for course entitled School Based Practice
- Occupational Therapy 691, Fall 2022, James Madison University, Assistant Professor & oversee course facilitators for course entitled Tutorial II (pediatric practice)
- Occupational Therapy 645, Fall 2022, James Madison University, Instructor - Level I Fieldwork 2 (pediatrics)
- Occupational Therapy 665, Summer 2022, James Madison University, Instructor - Level II Fieldwork 1
- Occupational Therapy 555, Spring 2022, James Madison University, - Level I Fieldwork 1 (psychosocial practice)
- Occupational Therapy 645, Spring 2022, James Madison University, Instructor – Level I Fieldwork 3 (adult practice)
- Occupational Therapy 675, Fall 2021, James Madison University, Instructor - Level II Fieldwork 2
- Occupational Therapy 620, Fall 2021, James Madison University, Instructor for course entitled School Based Practice
- Occupational Therapy 691, Fall 2021, James Madison University, Instructor & oversee course facilitators for course entitled Tutorial II (pediatric practice)
- Occupational Therapy 645, Fall 2021, James Madison University, Instructor - Level I Fieldwork 2 (pediatrics)
- Occupational Therapy 665, Summer 2021, James Madison University, Instructor - Level II Fieldwork 1
- Occupational Therapy 663, Summer 2021, James Madison University, Adjunct Faculty – instructor for graduate course entitled Policy Analysis & Systems of Service Provision
- Occupational Therapy BSC 7125, Fall 2020, University of St. Augustine, Contributing Faculty – online lead instructor for doctoral course entitled The Pediatric Client with Neuromotor Involvement
- Occupational Therapy OT 7496, Spring – Fall 2020, University of St. Augustine, Pre-Capstone & Capstone I Advisor: Scholarly project advisor for post-professional doctoral candidate in the content area of Pediatrics (Maternal & Infant Health – Teen Pregnancy) - online instruction
- Occupational Therapy BSC 7125, Fall 2019, University of St. Augustine, Contributing Faculty – online lead instructor for doctoral course entitled The Pediatric Client with Neuromotor Involvement
- Interprofessional Education IPE 7050, Spring 2019, University of St. Augustine, Contributing Faculty – online instructor for master’s and doctoral course entitled Evidence Based Practice for Healthcare Professionals
- Admissions Interviewer, 1 session Spring 2019, Mary Baldwin University, Murphy Deming College of Health Sciences, Occupational Therapy Program
- Interprofessional Education IPE 7050, Fall 2018, University of St. Augustine, Contributing Faculty – online instructor for master’s and doctoral course entitled Evidence Based Practice for Healthcare Professionals
- Interprofessional Education IPE 7050, Summer 2018, University of St. Augustine, Contributing Faculty – online instructor for master’s and doctoral course entitled Evidence Based Practice for Healthcare Professionals
- Occupational Therapy BSC 7125, Summer 2018, University of St. Augustine, Contributing Faculty – online lead instructor for doctoral course entitled The Pediatric Client with Neuromotor Involvement

- Occupational Therapy 7499, Spring 2018, University of St. Augustine, Capstone II Advisor, content area of Pediatrics (School-Based Practice)– online instruction
- Occupational Therapy 7499, Spring 2018, University of St. Augustine, Capstone II Advisor, content area of Pediatrics (Pediatrics & Neuromotor Involvement)– online instruction
- Interprofessional Education IPE 7050, Spring 2018, University of St. Augustine, Contributing Faculty – online instructor for master’s and doctoral course entitled Evidence Based Practice for Healthcare Professionals
- Guest lecturer in the pediatric content areas of feeding, fine motor skill development & handwriting, and sensory integration, 3 sessions Spring 2018, Mary Baldwin University, Murphy Deming College of Health Sciences, Occupational Therapy Program
- Admissions Interviewer, 2 sessions Fall 2017/Spring 2018, Mary Baldwin University, Murphy Deming College of Health Sciences, Occupational Therapy Program
- Occupational Therapy OT 591, Spring 2018, James Madison University, tutorial instructor
- Occupational Therapy OT 7499, Fall 2017 - Spring 2018, University of St. Augustine, Capstone II Advisor, content area school based practice – online instruction
- Occupational Therapy BSC 7125, Fall 2016/Spring 2017/Summer 2017, University of St. Augustine, Contributing Faculty – developer of online course curriculum & lead instructor for doctoral course entitled The Pediatric Client with Neuromotor Involvement
- Occupational Therapy IDS 7455, Summer 2017, University of St. Augustine, Academic Advisor for doctoral independent study entitled The Role of Occupational Therapists in Elementary School – online instruction
- Occupational Therapy IDS 7455, Summer 2017, University of St. Augustine, Advisor for doctoral independent study entitled Sensory Processing Disorder: Etiology, Evaluation and Intervention – online instruction
- Occupational Therapy OT 491/591, Spring 2017, James Madison University, tutorial instructor
- Occupational Therapy IDS 6455, Summer/Fall 2016, University of St. Augustine, Academic Advisor for doctoral independent study entitled Neurological Dysfunction in the Pediatric Client – online instruction
- Occupational Therapy OT 491/591, Spring 2016, James Madison University, tutorial instructor
- Occupational Therapy OT 491/591, Spring 2015, James Madison University, tutorial instructor
- Occupational Therapy HTH 478/OT 580, Spring 2015, James Madison University, guest lecturer
- Occupational Therapy OT 691, Fall 2014, James Madison University, tutorial instructor
- Occupational Therapy OT 540, Summer 2014, James Madison University, Assistant Professor
- Occupational Therapy OT 491/591, Spring 2014, James Madison University, tutorial instructor
- Master of Occupational Therapy Program, Spring 2014, James Madison University, Research Presentations, evaluator
- Occupational Therapy HTH 478/OT 580, Spring 2014, James Madison University, guest lecturer
- Master of Occupational Therapy Program, Admissions Committee, Fall 2013/Spring 2014, James Madison University, member
- Occupational Therapy OT 610, Fall 2013, James Madison University, guest lecture
- Occupational Therapy OT 691, Fall 2013, James Madison University, tutorial instructor

- Master of Occupational Therapy Program, Spring 2013, James Madison University, Research Presentations, evaluator
- Occupational Therapy OT 491/591, Spring 2013, James Madison University, tutorial instructor
- Master of Occupational Therapy Program, Admissions Committee, Fall 2012/Spring 2013, James Madison University, member
- Occupational Therapy, OT 610, Fall 2012, James Madison University, guest lecture
- Occupational Therapy OT 491/591, Spring 2012, James Madison University, tutorial instructor

PROFESSIONAL VOLUNTEER ACTIVITIES:

- **Camp Co-Director, Central Virginia Burn Camp**, Charlottesville, VA
2018 – present
- **Camp Coordinator, Central Virginia Burn Camp**, Charlottesville, VA
2016 - 2018
- **Program Coordinator, Central Virginia Burn Camp**, Charlottesville, VA
2010 - 2016
- **Virginia Occupational Therapy Association** – Scholarship Review Committee
2016 - 2019
- **Virginia Occupational Therapy Association** – Educator Award of Merit Review Committee - 2016
- **Pediatric Therapy Specialists, PLC**, Fairfax, VA
Established wish-granting opportunities for several members of pediatric caseload. Responsibilities included event planning, travel provisions and resource procurement for patient trips to Disneyworld and the Art Monk Football Camp, Sports International.
